Rails Engineering   2014

University of North Carolina, Chapel Hill, NC
Bachelor of Science in Business Administration   2003 – 2007
Finance Concentration, completed with distinction

EXPERIENCE

SunTrust Robinson Humphrey, Inc

Investment Banking Vice President | Asset Finance Group, Atlanta, GA   2012 – 2014

Served as a senior banker responsible for negotiating, structuring, and underwriting credit facilities for public and private companies. Actively engaged in client relationship management, financial modeling, new business origination, and junior staff training.

Wells Fargo & Company

Investment Banking Associate | Consumer Finance Group, Charlotte, NC   2010 – 2011

Managed the credit approval process for new asset-backed credit facilities and monitored the performance of existing transactions.

Associate | Credit Management Training Program, San Francisco, CA   2009 – 2010

Completed a 4.5 month advanced bank credit training program to enhance credit underwriting, client relationship management, and business development skills.

Investment Banking Analyst | Corporate Debt Finance, Charlotte, NC   2007 – 2009

Performed financial data analysis and prepared credit approval documents to support the underwriting and closing of structured credit facilities and bank loans secured by middle market commercial loans.
